Mission: Great CommissionTM Curriculum

These notebooking pages are designed for use with *Window on the World*, a core geography and prayer resource used in the **Mission: World Wonders** and **Mission: Faith Forgers** curriculum plans. Explore the ongoing fulfillment of the Great Commission through this missions-focused curriculum which provides an open-and-go reading plan for an integrated study of history, geography, cultures, missions, scripture, hymns, science, and fine arts. Written for families with students in Grades 2-8, each program within our **Mission: Great CommissionTM series** provides a full year of social studies, science, and fine arts with a focus on how God has worked through creation and through people who were willing to follow His call.

Mission: Great Commission™ Curriculum

Window on the World is used in our **Mission: Great Commission™ curriculum**, a 3-year program which explores the ongoing fulfillment of the Great Commission through a missions-focused plan that explores social studies and science, integrating the study of scripture, history, geography, cultures, missions, hymns, and fine arts. Written for families with students in Grades 2-8 each program within our **Mission: Great Commission™ series** provides a full year of social studies, science, and fine arts with a focus on how God has worked through creation and through people who were willing to follow His call.

- **Mission: World Wonders** explores ancient to medieval history along with world cultures, religions, and missions (along with fine arts, biology, and earth science)
- **Mission: Faith Forgers** provides an overview of church history in the midst of world history from the protestant reformation through modern times (along with fine arts, astronomy, and physical science)
- **Mission: Lasting Liberty** focuses on the history and geography of the United States of America (along with fine arts, anatomy, and chemistry)

Teaching cursive handwriting?

Script-n-Scribe Roller Coaster Writer is an introductory program for learning phonograms by sight and dictation while also learning how to form cursive letters. It begins with large motor skills to help young children learn to write.

For connecting letters into words and sentences - and for practice with tricky letter combinations - take a look at **Script-n-Scribe Letter Connector**. Read more about these products and view additional images and Montessori-style products on our website.
